

The University of North America

The University of North America, a local university with an international reach, offers graduate level programs in business administration and technology. In addition, through its Brydon English Language Institute, the university offers high-quality ESL programs designed for Business and academic English, TOEFL preparation, and cultural development.

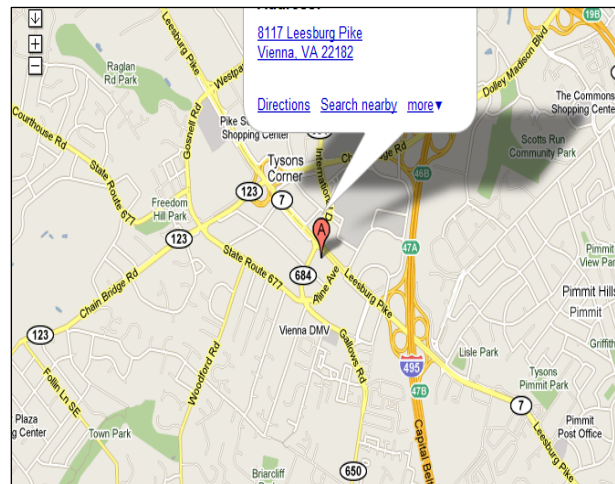

Advantages of the

University of North America:

- Small class size
- The latest in theory combined with real-world application
- Convenient location
- Schedules designed for the working adult
- Affordable tuition

WHERE WE ARE LOCATED...

UoNA is located at 8117 Leesburg Pike, Suite 201 in Vienna, Virginia. The University of North America is just a short bus ride from the Dunn Loring Orange Line Metrorail (subway). You can take either the Fairfax Connector 401 or the T2 Metro bus. Both stop in front of our building at the intersection of Gallows Road and Leesburg Pike.

What You Will Master

- Test-taking skills—learn the tricks of how to do your best on the test!
- Writing—understand what the graders look for and write an essay that will wow them!
- Critical reading—learn to read quickly and concisely and understand how to answer questions from all the subject areas!
- Mathematics—know how to approach a problem without panicking and learn how to check your answers!

UoNA and You - A combination for SAT Success!

Over 2 million students will take the SAT this year. How do you stand out in a crowd this large? You prepare by taking the SAT test prep course at the University of North America.

At UoNA we provide you with a program guaranteed to help you improve your test scores—and do better in school today. With UoNA's unique personalized approach, you will build on your strengths and overcome your weaknesses and gain confidence that will serve you well.

Not only will you improve your scores on the SAT, but the skills you develop will help you in your high school courses and will prepare you for success in college.
